### NOTES TO FINANCIAL STATEMENTS

December 31, 2016

Unaudited - See Notice to Reader

#### **1. NATURE OF OPERATIONS**

The Gambier Community Centre Society (the "Society") was incorporated under the Society Act of British Columbia and is a registered charity exempt from income taxes.

#### 2. SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies used in the preparation of the financial statements:

#### **Revenue Recognition**

The Society follows the deferral method of accounting for contributions.

Restricted contributions are recognized as revenue of the appropriate fund in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue of the appropriate fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Restricted investment income is recognized as revenue of the appropriate fund in the year in which the related expenses are incurred. Unrestricted investment income is recognized as revenue when earned.

#### **Fund Accounting**

Revenues and expenses related to operating activities are reported in the Operating Fund.

The Capital Asset Fund reports the assets, liabilities, revenues and expenses related to the Society's capital assets.

#### **Donated Services**

The Society and its members benefit greatly from donated services in the form of volunteer time. Because of the difficulty in determining their fair value, the value of donated services is not recognized in these financial statements.

#### **Capital Assets**

Purchased capital assets are recorded in the Capital Asset Fund at cost. Contributed capital assets are recorded in the Capital Asset Fund at fair value at the date of contribution.
